

NUTRITION ★★ GUIDE ★★

MyRosatis.com | Menu Nutritional Data | 2021

The nutritional information seen here was prepared by MenuTrinfo®, LLC and is based on standard serving sizes and product formulations prepared with approved ingredients. The nutritional data presented are based on representative values from the USDA Nutrient Database for Standard Reference and information from product manufacturers. Variation may occur due to the handcrafted nature of our menu items or due to seasonal influences and/or sources of supply of our ingredients. Additionally, formulations may change on occasion or the substitution of ingredients or suppliers may be necessary which will alter the nutritional values. 2,000 calories a day is used for general nutrition advice, but calorie needs vary.

This nutritional information and calorie counts are based on the standard core menu items, recipes and ingredients provided by Rosati's Franchising, Inc. to its independently owned and operated franchised restaurants. Since each franchised restaurant is independently owned and operated, we cannot guarantee that the information in this document is completely accurate for the menu items offered by each individual franchised restaurant. We encourage you to contact your local franchised restaurant directly to determine if that particular franchised restaurant has any variations from our standard menu items, recipes and ingredients that would change the standard information included in this document. Further, this standard information is for restaurants licensed by Rosati's Franchising, Inc. only and does not apply to restaurants licensed by another entity.
